ACADEMY DEFEATS ATHLETIC CLUB

Lynchburg Aggregation Loses to Randolph-Macon Squad.

[Special to The Times-Dispatch.]
Bedford City, Va., October 12.—This afternoon the Randolph-Macon Academy defeated the Lynchburg Athletic Club, of Lynchburg, by the close score of 6 to 0. It was a hard fought game throughout.
The only score made was during the first quarter, when a forward pass by Rivermont was intercepted by Cogdill, of Randolph-Macon, who carried his thirty yards for a touchdown. Barrow, at center, played excellent ball. Cogdill at quarter and Priest at full deserve special mention. L. L. Davis refereed in the game. The following were the players:
Randolph-Macon Academy: Positions—Pearson, left end; Phelps, left tackle; Rogers, left guard; Barrow, center; Cook, right guard; Brown, right tackle; Wood, right end; Cogdill, quarter; Driver, right half; Jones, left half; Priest, full.
Lynchburg Athletic Club: Positions—Campbell, left end; Anderson, left tackle; Smoot, left guard; Whitmore, center; Baldwin, right guard; P. Campbell, right tackle; J. Campbell, right end; Tyree, quarter; Jones, right half; McCloud, left half; Cowlin, full.

DEMAND FOR SEATS EXCEEDS RECORDS

Commission Returns \$70,000 to Applicants Whose Orders Cannot Be Filled.

Philadelphia, October 12.—It is estimated by representatives of the national commission, having charge of the distribution of seats for the first two baseball games in the world's series here next week, that \$70,000 has been returned to applicants for tickets whose orders cannot be filled.

The demand for tickets has broken all records, and the amount of money returned is the largest ever turned back by a club during the world's series.
Although it was officially announced last Friday that no applications would be considered that were mailed later than last Saturday, many people today tried every possible way they knew how to buy reserved seats at advanced prices. The national commission has taken extraordinary precautions to keep the tickets out of the hands of scalpers.

Centenarian Olding, of the Philadelphia Americans, may not be able to play in the world's series, due to having the ligaments in his knee twisted in yesterday's game. In going after a fly ball Olding lost it in the sun. To prevent being hit he turned suddenly and wrenched the ligaments. His knee was badly swollen to-day and specialists who were called in declared that they could not tell until to-morrow whether or not the injury would prevent the outfielder from playing next week.

TWO PAINFULLY INJURED IN UNUSUAL ACCIDENT

[Special to The Times-Dispatch.]
Lynch, Va., October 12.—E. Marshall, of Charlottesville, a former contractor on the Virginian, at this place, met with a painful accident here yesterday while leading some heavy machinery. The tongue to a heavy stone crusher flew up, throwing him over on the crusher, breaking his hip. Dr. J. Board rendered necessary medical attention, after which he was sent to his home in Charlottesville.

John Wilson, a farmer, living near Leesville, while cutting down a tree, was dangerously injured yesterday. The tree, in falling, struck a dead tree, which broke in two, the top striking Wilson in the back and shattering his hip. His condition is very serious. Mr. Wilson has a wife and several small children.

Burn and Contents Destroyed.
Warsaw, Va., October 12.—A new barn of Milton Hudson, near Acorn, Westmoreland county, together with a large quantity of hay and fodder, was burned yesterday morning. The fire had its origin in children playing with matches. The loss is about \$100, with no insurance.

DISAPPEARS FROM HOME.
Young Woman Leaves and Husband Thinks Wife's Mind is Unbalanced.
[Special to The Times-Dispatch.]
Newport News, Va., October 12.—Mrs. Rose Brooks, the young wife of Charles C. Brooks, secretary and treasurer of a wholesale tobacco firm here, disappeared from the home on Tuesday evening. It is believed that the woman's mind is unbalanced. She was last seen on the morning of Tuesday, when she was seen to leave the house at the time Mrs. Brooks disappeared. It was supposed last night that she was with relatives, and no report of her disappearance was made to the authorities until to-day.

Mrs. Brooks formerly was a Miss Cross and came here from Portsmouth.

OPENING DAY OF BOTETOURT FAIR

[Special to The Times-Dispatch.]
Fincastle, Va., October 12.—The Botetourt Fair opened yesterday, and will continue four days. This is the twenty-ninth annual fair of the county, and judging from the exhibits already on the ground, it will compare favorably with any of its predecessors. The agricultural, domestic and ladies' fancy work departments are and have always been a credit to the county. The display of apples will be better than for many years. The attendance was not quite as large as usual on opening day. Thursday will be the banner day, but the weather continues good. The racing will be good, and there is more to amuse and entertain the people than in a decade for many years.
The special premiums are particularly liberal.

CLEAN BILL TO LAJOIE.

Umpire Submits Report to President of American League.
Chicago, Ill., October 12.—Umpire Evans, of the American League, today submitted a detailed report to President Ban B. Johnson regarding the Lajoie incident at St. Louis last Sunday. President Johnson did not make public the entire report, but announced that Umpire Evans had given Lajoie an absolutely clean bill in regard to Lajoie's performance in making eight hits in eight times at bat in a double header with the St. Louis team last Sunday.

Evans, who officiated at the games in question, filed his report at the request of President Johnson. The report will be made public when President Johnson has completed his personal investigation, and is ready to announce his decision.
President Johnson is said to have offered as the best solution of the dispute the returning of the automobile prize to the donors of the award. That, in the league president's opinion, would bury the unpleasantness, but in order to reward players, he would have Lajoie and Cobb's averages declared a tie, and have the league present suitable prizes to both.

VICTORY FOR SEAWANE.

Score of 95 to 0 Filed Up Against Tennessee Military Institute.
Sewanee, Tenn., October 12.—Sewanee piled up a score of 95 to 0 in the same game today with the Tennessee Military Institute, of Sweet Water. The Sewanee backfield did remarkably fine work throughout the contest.
Touchdowns—Lanier, 5; Brown, 4; Ward, 4; Myers, 2; Faulkner, 1. Punt, 1. These were converted into goals by Myers.

Hard Game for Vanderbilt.
Nashville, Tenn., October 12.—The strong preparatory eleven from Castle Heights gave the Vanderbilt University its hardest work of the year yesterday afternoon, holding the Commodore regulars to fourteen points, the final score being 14 to 0. All the four-teen points were scored by the preparatory team. The Commodore played much below standard form, while Castle Heights displayed surprising strength in every department.

TWO MORE QUALIFY IN TENNIS TOURNAMENT

Miss Pauline Powers and Miss Sophie Meredith worked their way into the semi-final bracket yesterday afternoon in the tennis tournament at the Hermitage Club. Miss Powers defeated Miss Beasley Tompkins in straight sets by the score of 6-2, 6-2, while Miss Meredith defeated Miss Willis 7-5, 6-2, the first set being undecided in oil long duration. Miss Emma Gray White won her way into the lower semi-final bracket only after a hard battle, in which she finally overcame Miss Randolph, the score being 6-8, 6-4. Many persons watched this match, which, although not of the first class, was replete with interesting situations and uncertainty. Miss Boyd and Miss Winston fought until darkness, and when play was discontinued, the score stood 5-all on the third set. The whole set will be played this afternoon. In the consolation with the defeated Miss Powers and Miss Meredith will doubtless attract many people, as both girls are excellent players, and a close match is anticipated. The winner of this meeting will, without doubt, be the winner of the tournament.

GIFTS FOR MISSIONS.

Amount Received During Year Amounts to More Than \$100,000.

Boston, October 12.—Past achievements, present progress, and future plans for the evangelization of the heathen world were discussed yesterday afternoon and evening at the meetings held in connection with the centennial celebration of the founding of the American Board of Commissioners for Foreign Missions. During the afternoon the achievements of the past and progress of the present were reviewed by the principal officers of the board, and announcement was made of gifts during the year totaling more than \$1,000,000. At night simultaneous meetings were held at Tremont Temple and Park Street Church, where plans for future missionary activities were set forth.

The National Council of Congressional Churches met yesterday forenoon in the first business session of its triennial convention. Rev. Nehemiah Boynton, D. D., of Brooklyn, N. Y., was chosen moderator, and Rev. Arthur H. Smith, D. D., for forty years a missionary in North China, was selected as assistant moderator. Several reports were presented to the Council by officers and committees, and then an adjournment was taken until Friday afternoon, in order that the work of the council might not conflict with the centennial of the American board.

MEMORIAL SERVICE

Honors Paid Memory of Virginia Girl Drowned in Canada.

Memorial services were held in the Episcopal Church at North Haley, Quebec, Canada, last Sunday for Miss Lanier Dunn, sister of Mrs. Sidney Buford and Mrs. George Cole Scott, of Richmond, who was drowned in a boating accident on September 25. Rev. Mr. Powell, of Baltimore, conducted the services. Miss Dunn was seventeen years of age.

The accident in which she lost her life was peculiarly distressing. While cruising with a friend, Mr. Bowman, of Cleveland, O., in a dinghy off Black Point, the rudder was unshipped and the small craft left at the mercy of a stiff gale, capsized, and the occupants were thrown into the water. Clinging to the bottom of the overturned boat until their hands became numb with cold, Miss Dunn and her companion decided that their only hope was in attempting to swim fully a half mile to the shore. Though an expert swimmer, the cold water and the current proved too much for the young

girl.

Her body was recovered by the Canadian coast guard and was buried in the cemetery at North Haley.
